Principal,
Thakur Public School,
Kandivali.

Dear Ma'am,

On behalf of the entire team of Teach India I take this opportunity of thanking you, the management of TPS, the teachers and admin staff for organizing and cooperating with us during the E-waste collection drive on 25th, 26th and 27th April, 2024.

Knowledge gained is enhanced when theory is combined with practical experience. The session on e-waste has helped the students in understanding the harmful impact of disposing electronic waste in an inappropriate manner and this collection drive has certainly encouraged them to be responsible citizens and live up to their commitment.

The professionalism with which you function and the values on which your school runs was clearly portrayed during the session and collection drive.

The amount of e-waste we received has certainly exceeded our expectations and this was possible only because of your efforts. Thank you for sending an official letter to parents and joining hands with us in making this mission a huge success.

We look forward to collaborating with you in future for all our endeavours.

Thanking you,

Mr. Anil James
